

## Local and Personal

Odus Williams, of Easley, R. 6, was in town Monday.

Mrs. W. C. Newton is visiting relatives in Pendleton.

Boys, this is leap year! See "The Bachelor's Reverie."

Mrs. Mary Moore has returned from a visit to her sister Mrs. Evatt at Liberty.

J. M. Gantt and wife were called last week to the bedside of his mother, who is seriously ill at her home between Pickens and Liberty.

The Ladies' Cottage prayer meeting will meet Friday evening at 8 o'clock with Mrs. J. B. Craig. All the ladies of Pickens are cordially invited to attend.

J. A. Hunicutt, of route 2, paid us a call while in town on business Monday. He says he doesn't want to do without his county paper, especially during election year.

Our correspondents who have written us letters which have not appeared in print will have to bear with us, for we are short a printer due to an accident beyond our control.

Do you like to laugh? "Box and Cox" is just what you will like. It is one of the most famous plays for schools and has been played for the last fifty years with success.

J. D. Nations, a good and well-known citizen of Liberty, route 3, paid The Sentinel a pleasant visit while in town one day last week. Mr. Nations has been a regular subscriber to The Pickens Sentinel 22 years.

The numerous friends of Mrs. L. F. Robinson will be pleased to learn that the operation which she underwent at the Greenville hospital Monday, January 17, was entirely successful and that she is getting along nicely. We trust she will soon be well.

We were sorry to learn that J. H. Porter, father of our good barbers A. S. and J. A. Porter, Porter, had the misfortune to severely cut his foot while splitting wood last week. While he is improving Mr. Porter is yet unable to walk without the aid of crutches.

One of the most interesting cases scheduled to come up at the next term of court in Pickens is that of E. P. McCravy against the Southern Railway Co. Mr. McCravy is suing the railway company for \$10,000 damages for injuries received when he was hit by a train while he was crossing the tracks in front of the depot at Easley several months ago, an account of which appeared in The Sentinel at the time. McSwain & Craig are the attorneys representing Mr. McCravy.

I will sell at auction Saturday February 12, 1916, at 4 o'clock, in Pickens, my complete corn and feed mill, engine, etc., all in first-class running condition, for cash or good papers. Robert L. Harris, Pickens, S. C.

Don't forget to read the advertisements this week. It may save you money.

The teachers of the Pickens school are to be commended and should be encouraged in the interest they are taking and the efforts they are making to improve the school rooms. Probably some of the patrons do not know just how much some parts of the building need repairing or they would have the work done. However, a good way to help have the work done will be to attend the entertainment which will be given at the school house Friday night, as the proceeds will go to the school. You will get your money's worth, too.

While in town last week Mr. Wade H. Chastain made the positive statement that he will not be in the race for Sheriff of Pickens county this year. He says he is deeply grateful for the many kind words he has received in regard to making the race and appreciates the interest his friends have taken in the matter, but on account of other interests he thinks he would be unfair to himself and to many of his friends if he was to make the race. Had Mr. Chastain decided to run he would have been one of the strongest candidates in the race.

The Regniers, in a unique musical entertainment, will be the next Lyceum attraction for Pickens and will be at the school auditorium Wednesday night, February 2. This will be different from any entertainment ever given here before. On account of the last number not being up to the high standard of entertainments which the local committee wishes to give they feel that they are especially fortunate in securing the Regniers for this date and what the people lacked in being pleased before will be more than made up this time. No advance has been made in the prices of admission, but will remain 25 and 50 cents.

### Cut Your Store Bill Down One Half

Tens of thousands of farmers as well as town and city folks cut down their store bills one-half last year and saved money in spite of generally short crops and reduced wages.

Absolutely millions of dollars were saved and countless families lived better than ever before in the face of the cotton crisis and general business depression.

How were these burdensome store bills cut down? By the real money-saving power of good home gardens, rightly planted and kept planted and tended through the season.

Hastings 1916 Seed Catalogue tells how to cut store bills down; tells about garden and farm seeds of kinds and a quality that cannot be bought from your merchant or druggist. It's full of garden and farm information. It's free if you ask for it. Write for it now. H. G. HASTINGS CO., Atlanta, Ga.—(Adv't.)

It matters not where you may go or where you room or board, in every place where you may be, you're bound to see a "Ford." It's the people's popular car and has a world-wide fame. It's not as high in price as some, but gets there just the same. The "Ford" will go where others can't, and take you safely thru. To own one is a pleasure and gives satisfaction, too.
